RECESS

It was the first Friday of the new school year, and there was an air of excitement in homeroom. The bell rang, and suddenly 700 excited students ran to their appointed areas as Spirit Day began.

The Senior High spent part of their time in the gym where more deafening screams and the beat of feet on the bleachers could be heard for miles. In the gym, boys got the taste of lipstick, aggressions were taken out in a game of socko, unity was felt in the four

legged race, being injured was fun, and getting ready for bed has never been done faster, as proved by the pajama race.

The High school students then moved outside where more crazy stunts were performed. Parallel parking a V W bug was much harder than once thought, especially since the car was being pushed. Seniors seemed to be the most skilled at driving, as they parked their V W in less than one minute. Racing shopping carts had left the supermarkets and come

to L.A.B. Getting in and out of the carts quickly seemed to have given the Juniors the slight lead which led them to victory. To end an exciting day, each class picked fifteen people to play the old-fashioned game of Leap-Frog. It was quite a sight to see 60 people leaping around in a frenzy. As the day came to a close, the Seniors came out on top and the Juniors finished an embarrassing last

SCRUBBED SPIRIT

At the Jr. High Spirit Day this year besides the traditional softball game between the seventh and eighth grade, which, as is traditional, the eighth grade won, there was a volleyball game, which the eighth grade also won. Other new events included the siamese chicken race, where two people with their legs tied together carried a ball between their legs to a set place. A tennis ball relay in which the teams had to pass a tennis ball the length of the team using their feet was also part of the program. A rather messy activity was the tomato relay, where two people had to run through an obstacle course with a tomato between their foreheads. The remaining events included the traditional wheelbarrow and chariot races. The seventh grade proved themselves by winning the spirit competition, and the eighth grade won the grand prize, the chance for a break in their afternoon classes to see the movie, "The Trouble With Angels."

to love each of you

Being A S B. President has been a wonderful experience and has enabled me to work with a great council. Your Vice-President, Jill Johnson, ran the Student Assembly and contributed greatly to ideas about the school. Secretary, Bob Layton, took very good notes and helped a great deal. Commissioner of Activities, Katie Walker, had a lot of new ideas for Homecoming and other events of the school. Wendy Herman, the Spiritual Life Chairman, did a fantastic job planning chapels and Dave Phillips, Commissioner of Athletics, took care of the Athletic budget. Commissioner of Finance, Jim Beers, balanced our A S B budget and Linda Ellensohn, Commissioner of Public Relations, publicized our school events and both contributed greatly. Busy Liz Loversky, Yearbook Editor, always had something to say about our school. I would like to thank each and every one of them for their support and especially Mr. Smidderks, our advisor.

Coming to L A B was a decision I will never regret. I have only fond and happy memories of my days at Baptist. I hope that as you look back on your High School days you will also. If I could leave a final word it would be that I love each one of you. Thank you for the opportunity of serving you by electing me as A S B Pres. I hope that God will richly bless each of us as we graduate and go on to maturity. Put Him first in your life, because that is where He belongs! Psalm

Tom DeVries*

STUDENT ASSEMBLY

The Student Assembly at L.A. Baptist met regularly this year to discuss important issues. Some of the more popular topics of discussion were parking lot problems, a change machine and always open campus. The ideas discussed in Assembly were then taken up in further detail at the next meeting of the Student Council. Mr. Smidderks and Mrs. Makela presided over the group.

C.S.F.

C.S.F. an honors organization, is available to all Senior High students with a G.P.A. of 3.4 or better (this does not include P.E.) Members are available to tutor any student who needs extra help. Under the supervision of Mrs. DiPardo, this group took time off from the books for a special trip to Disneyland. Congratulations to all our "Baptist brains".

OLD NEWS ISN'T NEWS

It's true, it is better late than never! On January 19 the student body of Los Angeles Baptist High School finally found out what the Chronicle staff had to say about September. Even though it took them a while to produce a paper, Paul Shampay and David Barnes stunned the student body with the help of Mrs. Lotze and Mr. Kearney

Chess Club

It is somewhat demeaning to be requested to justify the existence of the club around which the intellectual currents at L.A. Baptist revolve. We are, however, willing to do so. Our mission is as follows.

- To hone the killer instinct
- To develop techniques of propaganda and demagoguery
- To develop skills of elocution and composition of 'Learning Experiences'
- To learn to enjoy the grovelling antics of penitents convicted by the L. B. court
- To enjoy whole-hearted fellowship and SEE food

— Mr. Mangnall

JUNIOR HIGH COUNCIL

The nineteen seventy-eight — seventy-nine Junior High Student Council was chosen by their fellow classmates. They were responsible for planning matters related to Spirit Day and Homecoming. They also worked hard on the annual Christmas Talent Show. The Junior High spent a day at Canyon Meadows and shared their Christmas spirit at the convalescent home where the patients enjoyed their visit as much as the students.

Miss Black, their advisor, working with this year's council president, Betsy Klein, did another great job. One of the primary goals of this year's Junior Council was the unification of the class.

JUNIOR HIGH SPEECH CONTEST

The Junior High Speech Contest gives these students the opportunity to use their speaking abilities and the experience of speaking before large audiences

Miss Black counseled the Junior High in preparation for the speech contest. There were three categories chosen: Oratory, Dramatic and Bible Reading. The Oratory section consisted of Rob Wilcox and Sonya Hong. The Dramatic section included Cindy Dike and Steve Jones, while the Bible Reading was done by David DeVries and Peter Heffner.

This year's Spiritual Life Council was a large and vibrant force on campus. Faculty advisor Denise Black was aided by Chairman Wendy Herman and an able Executive Council. This Council consisted of three students, each being responsible for a different area of service: Julie Mears, Campus Devotional Life; Jan Miller, Big Brother/Big Sister Project, and Pam Burns, Missionary Outreach. Dr. Robert Bradford opened the year in the October Spiritual Life Week. Other chapels included a multi-media presentation on the greatness of God, and Canary Islands plane crash survivor Norman Williams.

Colossians 1:9, 10 states the goal of this group: "For this cause we also, since the day we heard it, do not cease to pray for you, and to desire that ye may be filled with the knowledge of His will in all wisdom and spiritual understanding, that ye might walk worthy of the Lord unto all pleasing, being fruitful in every good work, and increasing in the knowledge of God."

The motto of the Girls' Service Club, under the direction of Mrs. Budd and Mrs. Reeves, is "serving Christ and others." They have sought to carry out this goal in various ways, which include: monthly visits to the V.A. Hospital, decorating for sports banquets, ushering at graduation, and a new area of service this year — sponsoring a child from South America.

This year's officers are: President Janet Achilles, Vice President Jenny Linton, Secretary Tamu Tobeck, and Treasurer Marnee Hall.

The unity and dedication of this group have helped to make this year one of the best. It has truly been a productive and satisfying experience for all associated with the Girls' Service Club.

The stage crew this year was under the direction of Mr. Rodgers. They were responsible for arranging the bleachers and setting up equipment in the gym for chapels and various multi-media presentations. Bill Simmonds and Jesse Saldana usually shared all audio visual work, and Mike Uhlman was in charge of lighting effects. However these responsibilities were shared by the entire crew throughout the year as they learned the numerous technical responsibilities that go on behind the scenes of a stage production. They are also responsible for changing props during the spring play. The members of this year's stage crew are Tom Devries, Stuart Scull, Chris Hodge, Jim Harmeling, Bill Simmonds, Mike Uhlman, Jesse Saldana, Mike Romero.

With an equal ratio of students to teachers, the Dress Committee spent many lunch periods reaching decisions on the problems of student's dress. The committee's aim was to maintain and represent L.A.B.'s standards of neatness, modesty, and appropriateness. While in the sixth year of existence, the Dress Committee successfully gave students an active voice in school policy. They handed down many decisions that affected the students proper dress. The Dress Committee also has the last word on approved fashions of fads. To uphold the Dress Code, the committee reviews questionable cases and decides on penalties.

Choir

This year the choir under the direction of Mr. Bill Rodgers presented the Thanksgiving as well as the Christmas chapel, and a special Christmas Concert with the band. Highlighting the year was the joint effort of the choir in collaboration with the drama department in producing the musical comedy "Rough 'n' Ready."

The choir had several members that contributed by singing solos for various performances. They included: Bobbette Babb, Joni Cunningham, Wren Gatineau, and Tom DeVries. They and the rest of the choir were accompanied by Diana Minaskanian on the piano.

Who Stole My Drums?

This year's concert band is "primarily a young band with great possibilities for their future years here at L.A. Baptist," according to Mr. Rodgers. This year's band consists of 28 members who play flute, oboe, clarinet, alto saxophone, trumpet, trombone, baritone horns or percussion. Most of the members first learned to play their instruments over the last two years in the elective class of beginning band. This year's performances scheduled at athletic events were severely curtailed by the burglary in which many instruments were stolen. Many members of this year's band will contribute their talents to the musical production of "Rough 'n' Ready." While interviewing Mr. William Rodgers, the director of the band, we kept asking the question, "Who stole my drums?"

Drama is more than just another class, it is a mixture of hard work and good times. It requires an effort in memorizing lines, concentration, and getting into character. This years drama classes did various performances in class among them were monologues, Scrooge, and Shakespearean plays. Drama, a division of the English department is under the direction of Mrs. Shegay Vanderpool and Miss Mary Scharf.

In April of 1851, the town of Rough 'N' Ready, California became an independent republic. The musical done by the drama department this year was based on this, with a love story intertwined. The town remained independent until the fourth of July, when it decided to be a part of the Union once again. The main characters were Mule Bob Layton, Simeon Stone Tom DeVries, Rosie Pickins Karen Johnson, Annabel: Dawn Turner, Colonel: Todd Fisher, Napper Terry Leighton, Chinee: Steve Nalian Z T Haynes, Jim Harmeling, Si Joni Cunningham, Si-Si: Leslie Reynolds. Other cast members included Dan Staples, Bob Nielsen, Jim Achilles, Jim Wern, Craig Bowers, Debi Burt, Scott LaChance, Steve Owen, John Mears, Lori Lewis, Paul Sherrill, Connie Minkoff, Vicki Ninfo, Lord O'Neil, Shirley Brown, Jan Mears, Lisa Malousis, Kelli Cox and Marnee Hail.

¡FELIZ NAVIDAD!

¹ On December 15, 1978, Senior High Students had more on their minds than just getting out for Christmas vacation. This was the day of the annual Christmas Project!

After lunch on the Senior Patio, two bus loads of kids and presents left for Ramona Gardens, a housing project in East Los Angeles. This was one of many parties that World Opportunities gives each Christmas.

Upon arriving, several students helped arrange 800 plus gifts on tables inside the gymnasium. Cookies and punch were also on hand for the children. At 3:00 the doors were opened. Some of the children had come early in the morning to wait, but were sent on to school by Ramona Gardens staff.

Highlights of the day included the traditional "Instant Santa Claus", cartoons, singing, and, finally, the appearance of Santa himself. A special treat was a surprise visit by Mickey Mouse (alias Ted Lehman).

The day was a chance for the students at L.A.B. to share the reality of Christ in their lives with others.

1. "C'mon, follow me!" 2. "And he called a child to himself and stood him in their midst."
3. "Look! It's Santa!" 4. Debbie Roskally has her hands full 5. Stephanie Sieger says, "I never saw
her before in my life!" 6. Wren Gagneau and friend 7. No, those presents aren't for you

SHARING THE CHRISTMAS SPIRIT

1 Giving is better than receiving isn't it Jennifer Gerhart and Anna Holmstrom. 2 Kelly Kramer, sharing. 3. Cari Aldrich thinking about her Christmas project. 4 Donna Fox and Collette Walker share more than a gift.

On Friday, December 13, eighty Junior High Students and several faculty members went to Panorama Terrace West Convalescent Hospital for their part in the annual Christmas Project. Money was collected in their classes and a committee of students purchased gifts for the needy patients. After arriving, at the hospital, students sang Christmas carols through the halls, then broke up into small groups to visit individual patients and distribute gifts. The students were able to bring a great deal of joy and Christmas spirit to some very lonely people. A number of students expressed their intention to return throughout the year to visit and cheer the patients.

Saturday, October 21 finally arrived with all the confusion and excitement traditional of Homecoming. The floats decorated in the Turn of the Century theme were beautiful and the underclassmen put in their extra effort to beat the seniors who won for their fourth year in a row.

On Friday, the Homecoming Court was formally introduced to the student body in the gym. Excitement and anticipation was seen on the faces of each student as the spotlight revealed each couple. It was quite evident that the students had a difficult time in narrowing the field from five chosen girls down to one. On Homecoming Day the crowd grew quiet as the announcement was made and the crown was placed on Stephanie Siegel, who then rode off on the winning senior float.

Top to bottom, left to right: Stephanie Siegel and her court; the Homecoming float; the Homecoming float; the Homecoming float; the Homecoming float. The Homecoming float was the winning float.

It was rigged. Using their persuasive vices, the Seniors took first place in the Homecoming events. Don't be surprised, it happens every year. What really counts is the class spirit that everyone portrays. Victory isn't necessarily winning, it's the show of pride one has for his class. True school spirit cannot be measured, only appreciated.

VARSITY FOOTBALL

The 1978 Varsity Football team had a successful year not in terms of games won but in terms of growing in character. They were led by first year coach Gary Connors Nelson. Although they did not win any games, the team gave their best effort. There were many close defeats. The Bell Jeff game was a highly controversial game. The referees had a difficult time holding order with tempers beginning to flare as the game went on. A fight erupted which was quickly broken up and both teams went to the locker room. Although disappointed at not winning a game, the Knights showed great enthusiasm with each player always giving a hundred percent. Baptist football has a very promising future in the years to come. By the end of the year there was greater team unity and fellowship among the players. Each one greatly grew in character over the years.

JAY-VEE FOOTBALL

The 1978 football season was a season of determination and effort. Although the seasonal record didn't show much promise, the team spent the season adjusting to the new players and a new coach, Roger Presgrove. We sincerely hope that the team will continue to rebuild and be overwhelmed with strength and experience.

JR. HIGH FOOTBALL

Led by coach Gary Miller and assistant Don Lewis, this year's Junior High Football team was very successful. With a record of 7-2, these young men brought some excitement to the L.A. Baptist campus. The success of this year's team began where last year's left off, with victory and enthusiasm.

Coach's Comment. "As a junior high coach, I have enjoyed greatly the experience of working with this group of young men. It has been a privilege to be able to coach them and watch them grow. Overall, this is one of the finest group of athletes I have coached and their record over the last two years is an indication of their ability and dedication (winning over 80% of their games and becoming champions for the first time in many years). Football is fun and builds character. These guys have profited by participating and developing a winning attitude that should stay with them. They desired to do their best and win. When they failed at either, they knew it, it was like the end of the world. It would be a great reward for me in life to know that I had contributed in some way to the lives of these young men. Thanks for the opportunity guys."

For years the students of LAB have wanted a soccer team. Could we actually produce a worthwhile team? There were doubters. Finally soccer was given a start with some helpful donations, coaches, and a cooperative administration. Many probably foresaw a bad turnout and a frustrated, losing team. Perhaps the soccer team was only a dream and would fizzle out after the first year, but . . .

Surprise, the turnout was fantastic. The first game was against Alemany, a team with consistent championships. At half-time the team was blowing them away with three scores against their one. Alemany realized that this team was not going to be messed with so they put in some of their varsity players. Our soccer team held out and the game ended with a score of 4 to 1.

The team went on to remain undefeated for the rest of the ten games with the help of coaches Roger Presgrove and Lance Stevens. Students, parents and others who watched the games said that this was the highest spirited team they had ever seen. The team was also very close knit. They grew even closer when Tuck Stevens, their first string full back, died in an automobile accident. The next game was dedicated to him and the team was victorious with a final score of 6 to 0.

Making the decisions for the awards was tough because the whole team was valuable, spiritual, and improved. Dave Brown was the most valuable player, Eric Anderson was most inspirational, and Terry Leighton was most improved. Soccer is now here to stay and this year's team members, with the exception of one graduating member, are looking forward to a great season next year.

VARSITY BASKETBALL

The L. A. B. Varsity Basketball Team came into the season with expectations of a play-off contending club, but were abruptly awakened after eight straight pre-season and five regular season loses, before beating Western Christian.

The win against Western came when the Knights finally showed some of their stuff, winning by two in the final seconds. Although the team only had four wins all season, they had many close games, and near misses.

Greg Adkins came through with another outstanding year, averaging over sixteen points per game, and about as many rebounds. Doug Malousis had a strong Senior year, with many high scoring games and his knack to drive to the basket. Jim Harmeling, the team leader, had an excellent shooting year and made some clutch free throws to win some games. Scott Ardavanis,

only a Junior, had an outstanding year with moves like those of Dr. J. He had many high scoring games and is expected to do even better, next year.

The team would not be a team without great performances from the bench. Coming off the bench is a difficult job, but Kim Herrington, Jon Harms and Dave Phillips did it well.

Of course, a team has to have its big men. Fulfilling this role were starter Tim Kuenn, with his rebounding and screens, Tim Smith with his razzle-dazzle shots and blocked shots. Complementing these to was Steve Ratzlaff, who had rebounds along with his patented side of the key jumper.

Next year, the Knights are looking for a strong team, with returning Junior Scott Ardavanis and most of the Championship Junior Varsity Team advancing to Varsity. Next year is sure to be another exciting L.A.B. Varsity Basketball season.

JUNIOR VARSITY BASKETBALL

The L.A. Baptist J.V. basketball team came with away many honors this year. "The Champs" enjoyed a 20-1 record.

The season started out with preseason wins over St. Monica, Fillmore, and Montclair Prep. The Knights then encountered Chaminade in the L.A. Baptist Tourney and won the first round game. They then beat Calabasas for the championship. Pat Fields was named all-Tourney.

The J.V. then faltered and lost in their last preseason game against Harvard.

The League season opened and the Knights soon had wins over Valley, Whittier and Brethren. Western proved troublesome, but not invincible. The winning streak continued against Lutheran, Bell-Jeff, and Ontario.

The second round was harder with narrow wins over Whittier, Brethren, Western, Lutheran, and Bell-Jeff. The Lutheran game was a come-from-behind overtime game.

Wins over Ontario and Valley produced an undefeated season and a league championship.

Fields led the knights with a 15 point scoring average, Souler and Mike Buchanan were fine rebounders and Lorne Mattner had many fine shooting nights.

Rookie Head Basketball coach Phil Jennings led his underrated freshmen team to an exciting 9-5 season. This is the second year in a row that the L.A. Baptist freshmen team has been a winner after many previous disappointing seasons.

The Knights were led by guards Rod Schackelford, Matt MacArthur, and Joe Koh. MacArthur, who made first team all Tournament in the L.A. Baptist tourney, had many fine shooting nights and helped run the offense with Koh and Schackelford. Koh and Schackelford were the play-

makers of the team and Rod proved to be a fine shooter at times.

Logan Blades and Todd Brooks were two of the many fine front line ballplayers on the team. Blades and Brooks were two of the best shooters and rebounders on the team.

Paul Sper, Tony Cera, Greg Goens, Garrett Arnold, Mike Miller and John Gallaudet gained much needed and very valuable experience that can be put to use next year on the J.V. team.

The Jr Hi basketball team opened a successful season with a 52-18 win over Foothills. The team, led by the talents of Greg Fields, Rusty Gordon, Jon Oatey, Tim Null, Greg Ritter, and John Howard has an excellent future, Coach Miller commented. VARSITY

The 1979 Varsity Baseball team under the leadership of coaches Don Lewis, Maury Neville, and Bill Days had the potential to be one of the top in the CIF "A"

Four year varsity returner Rick Ousman led the strong pitching attack. Todd Beal, and Mark Goens also saw pitching action

Returning starting catcher Tom DeVries and strong backup Jon Gerlach gave the Knights plenty of support behind the plate

Strong defense consisting of infielders Larry Erisman, Scott Ardavanis, Dave Phillips, and Conrad Kreiger and outfielders Doug Malousis, Mark Goens, Rick Ousman, Todd MacKerron, and Todd Beal gave the pitchers little to worry about Ken Sneed, Tim Kuenn and Kim Herrington also saw action in the infield along with Greg Adkins in the outfield

With the Varsity so talented they showed the capability of being a strong championship contender

In the first two games, the LA Baptist varsity team defeated two strong teams including St. Genevieve, the defending CIF class "A" baseball champions. The St. Genevieve game was particularly memorable in that besides gaining the first Knight victory over St. Genevieve in a number of years, Rick Ousman and Todd Beal combined together to pitch a no hitter

At this time, it appears that only serious injury or unexpectedly poor batting could result in the Knights being less than a serious contender for the League title, especially considering the Knight's powerful pitching staff

The JV's were led by the strong pitching of Pat Fields, while Mike Romero controlled the first and Matt MacArthur protected third. Bases were not easily stolen against the strong arm of catcher Bob Travis and it was nearly impossible to gain more than a single base on a hit with outfielders like Greg Grooms, Tim Anderson and Tim MacKerron.

This year's team being mostly Sophomores, Baprest will have something to build on in future years.

CROSS COUNTRY

Run in such a way that you may win.
I Corinthians 9:24b

"I like torture". "It clears the mind" These were answers to the question, "Why do you run cross-country?" One answered, "because of the mental and spiritual attributes brought on by the mantra of the feet while running." Another said of his first impressions of running, "I thought runners were skinny little wimps." Whatever the case, they all worked hard through the extreme heat, cold and fair weather to finish second in the league.

To break up the routine of the typical meet, the cross-country team had the opportunity to run in three invitationals. The Torres Invitational at San Diego, was a great success. Both the JV and Varsity teams took first place. They also did well in the two other invitationals, the Bell Jeff Invitational at Griffith Park, and Alemany's at C.S.U.N. Although they were very happy with second place, the returning members are going to strive for the top next year.

VARSITY TRACK

Spirits were high as the '79 Varsity Track season began. With returning lettermen track was an eventful season. Coaches Joseph Gomez and James Rowe anticipate a highly successful season in the long distance events due to the excellent performance of the cross country team this year. Although track is an individual sport the players strove to develop a sense of unity and a competitive spirit in each player throughout the season.

FROSH SOPH TRACK

The Soph-Frosh track team did a superlative job of practicing for their meets. Unfortunately the Scroll staffs' deadline was before any of the meets, so we really have no idea what their record was. We can, however speculate that the season was good, partly due to the excellent coaching of Joe Gomez and Jim Rowe

The Drill team and Flag Girls of 78-79 proved to be two of the main highlights of many of LAB'S home football and basketball games. With such outstanding drill team performances as those done to "Grease Lightning," "Star Wars," "Close Encounters," and "Copa Cabana" this group of talented girls captured the attention of the fans. This team of 40 Dedicated Sr high girls practiced three times a week to bring a little cheer to our games. Flag Girls' schedule was a little less busy, but their performances were still

greatly appreciated. Flag Girls performed during J.V. half-times under the direction of Captain Julie Mears. Captain Lisa Malousis and Co-Captain Kari Kuenn did a tremendous job of organizing and directing the drillteam through a good year.

CHEERLEADERS

Once upon a time at L.A.B.,
 Eleven happy girls shared the same dream
 Of cheering with a crowd that would cheer back
 An enthusiastic crowd, they did lack
 As the days went by, the spirit grew
 Football season brought pep rallies and spirited fans too
 Through hard times they sighed and the sorrow was great
 Because the eleven happy girls were now only eight
 They all loved a lady who gave them advice
 Miss Barber cooked dinner on Thursday nights
 Lookin' back on the year, they're sad as it ends
 The year eleven girls grew as a squad and as friends

VOLLEYBALL

This year the Varsity Volleyball team consisted of six seniors, one junior, and two sophomores. The team members were Vicki Ninfo, Lisa Balduff, Jill Johnson, Linda Ellensohn, Liz Loversky, Sue Purdie, Katie Walker, Debbie Coeler, and Sheryl Phillips. The coaching was under the direction of Miss Sue Newcomb and Miss Cindy Noblitt.

Right off the bat the team realized that only two members had ever played together before. This meant that there was a lot of learning to do. Progress was fast and the girls grew closer as a team. The league opened on Oct. 10 and they ended with a 9-7 season record.

The friendships that were made this year will always be remembered. The times together — games, practices, parties, T.P., Miss Noblitt's "ditties," and the secret sisters — will never be forgotten. The team expressed their love for God and their love for each other throughout the entire season — on and off the court.

When asked to describe the season the coaches replied, "frustrating but fun." But there is one word that describes the times shared and the people involved with the team. That one word is "special."

W/TV VOLLEYBALL JV

If one word could be picked to describe this years Junior Varsity Team, it would have been "unity." Under the fine leadership of coaches Cindy Noblitt and Sue Newcomb this quality made itself known all season long.

The team displayed its ability as a unit, there were no players that could be labeled as individual stars. However, this proved to be an asset as the season progressed. In fact the depth of the Baptist bench spurred the J V on to many victories.

Hopes for the future are easily going to be satisfied by this group of players, and will definitely be an asset to the varsity team next year.

Varsity basketball is a pleasant experience. It is not how many games the team wins but how many they learn.

The team worked hard the whole season under the direction of Coach Cindy Kramer. They quickly improved their skills and learned to play together as a team. The girls had a good time. Many lasting friendships were made.

With another year of experience, the JV players can look forward to a very good varsity season next year.

GIRLS BASKETBALL

The '78-'79 Varsity basketball team, under the direction of Coach Kathy Benson had a challenging year. From the outset, the team was faced with many difficulties. The girls were young and inexperienced, the coach was new, and for the first time they played in the tough Olympic League; to name a few of their problems.

Nevertheless, with hard work and determination the girls pulled together into one team. Spectators will remember this team as a fun loving comical group. Jan Mears and Denise Stover both had trouble finding their glasses that were often sent sprawling on the gym floor. Lorna Rothlisberger had a habit of tackling the opposition. The coach even got into the act by yelling from the bench. Karen "Stop."

Other players were Suzi Purdie, Debbie Coeler, Sheryl Phillips, Christy Griffiths, and Kathy Patterson.

The softball team at L A B has long had a reputation for being an outstanding team, and this year was no different. Their coach was Cindy Noblitt. The pitcher Kathy Martinson, pushed the team for a chance to the playoffs. With the help of the other team members this season was successful.

JR HI SOFTBALL

The Jr. High girls sports program this year has grown immensely. Under the direction of Coach, Ten Wilkens, the softball team had a very successful season. The team consisted of 12 girls, and met two days a week for practices, and the other two days were spent in game situations. Even though each person has to be good in her position, softball is a team sport. Their successful record definitely showed that they worked together as a team. With the enthusiasm the team members showed, their successful season, and especially the love for God shown by each girl, the Jr. High girls' softball team benefited our school greatly.

JR. HI GIRLS BASKETBALL

This year the Jr Hi girls' basketball team had a very successful season. Under the direction of Miss Ten Wilkins the team ended their season with an 8-1 record. The team members were G. Holstrom, K. Hack, J. Gerlack, T. Nelson, V. Webb, C. O'Bryan, S. Alanis, E. Hernandez, S. Sundberg, J. Naruse, V. Stratton, C. Miller, J. Waugh, M. MacArthur. Congratulations to the team and we wish them luck in the future!

APPLYING THE PAST

One of the most popular and yet most destructive attitudes prevalent in society today is that of "presentism" "Eat, drink, and be merry for tomorrow we may die" is the standard attitude among a large percentage of the Americans. Although mankind needs to take stock of his present situation and circumstance, it must always be with a view to the lessons and perspective of history. To quote the philosopher Santayana, "Those who cannot remember the past are condemned to repeat it." It is therefore gratifying to see Baptist High students giving recognition to the richness and value of their past through the selection of an annual theme which gives emphasis to America's heritage. Although the "good old days" had "bad" as well as "good" in them, it is an evidence of insight and maturity when young people look to the traditions and standards of their forefathers with a sense of admiration and appreciation. The "old time" virtues of honesty, enterprise, loyalty, and Christian commitment need reinforcement in these days of situational ethics and "easy living."

Now more than ever before, both as individuals and as a nation, we need to reconstitute our fealty and allegiance to the virtues and values of the past. The Bible gives the rules by which to win in the game of life. It is my prayer that whether in 1979 or 1989 as you read the scripture presented within the Scroll you will be renewed in your resolve to live a redeemed life through Jesus Christ and a vital life through the power of the Holy Spirit.

"My son, never forget the things I've taught you. If you want a long and satisfying life, closely follow my instructions. Never forget to be truthful and kind. Hold these virtues tightly. Write them deep within your heart. If you want favor with both God and man, and a reputation for good judgment and common sense, then trust the Lord completely, don't even trust yourself. In everything you do, put God first, and he will direct you and crown your efforts with success."

Proverbs 3:1-6 (LB)

“. . . And Now a Word From Our Sponsor . . .”

How many of you have given more than a passing glance at the first floor at the top of the stairway of the red brick gymnasium building? The door says “Department of Baptist Day Schools.” Probably, most of you have passed by without so much as a glance inside. Yet, this doorway leads to offices that are not only an extension of the Los Angeles Baptist City Mission Society that made the school possible but are **integrally important to the on-going program of the high school.**

Dr. C. Rowan Lunsford, Superintendent of Baptist Day Schools and the Reverend Harry W. Abrahamson, Associate Superintendent, supervise the 28 elementary schools in the Baptist Day School Association as well as the high school.

Began in 1947, the department offers valuable counseling and leadership to administrators and faculty of all the schools but its proximity to the high school makes its role particularly vital and productive.

Every time you have watched a term in class you were probably watching one of the 200 Moody Institute of Science or Encyclopedia Britannica films that comprise the BDSA library. Remember the speech contest that you participated in while a student in a Baptist elementary school or while in the 7th or 8th grade? Well, that was also a BDSA project. These are only two of the multitude of departmental services.

Wilma Norris, cheerful and dedicated secretary to Dr. Lunsford and Mr. Abrahamson, serves as receptionist, keeps confidential files on teachers in the association, handles Blue Cross, fills orders for school supplies, and is in charge of the film library.

In 1975, an additional office, the Office of School Development and Alumni Affairs, was initiated. Primarily designed to maintain a closeness among graduates and to begin a necessary annual fund-raising program, the office was augmented and expanded in 1977 when Shirley LaBarre, former teacher at Baptist High and chairman of the English Department for many years assumed the leadership of the office.

Mrs. LaBarre is editor of COMMITMENT, Coordinator of Alumni Activities, and Special Funds Coordinator. She and Dr. Lunsford work closely with parents in the annual funds appeal, now a vital part of the school's effort to meet school costs as well as extend educational offerings.

1 Dr. Arnold S. Boal, Executive Director, L.A. Baptist City Mission Society. 2 Left to right: Rev. Harry W. Abrahamson, Mrs. Wilma Norris, Mrs. Shirley LaBarre, Dr. C. Rowan Lunsford.

Behind the Scenes

8

In any kind of institution, the most unsung heroes are the people behind the scenes. Each one of the secretaries, custodians, gardeners, and other personnel are dedicated to making our school run more smoothly.

1 CUSTODIANS — M. Dunn, W. Borbely, T. Williams. 2 GARDENERS — G. Wilkins, J. Heming, F. Brown. 3 Maintenance Mgr., J. Porter. 4. Ted Williams. 5, 6, 7, 8 SECRETARIES — M. Marlin, E. Gottschalk, A. Jordan, V. Arnold.

GUT BOOSTERS

Mr. Darrel Salisbury served his first term as Booster Club President this year. The funds raised helped to pay for athletic bags, and under the direction of Mr. Stan Osborne, the school's first soccer team was started. Members of the club helped supervise crowds for athletic events, provided refreshments, and sold the traditional "booster buttons" and Booster Club windbreakers. Mrs. Miller and Mr. Miller were among the many boosters who faithfully worked in the booster trailer.

Each year the PTF goes out of their way to prepare and serve food for the poor deprived students of LAB who do not have a cafeteria. This service is purely a generous act of giving, one which should be appreciated. The "ladies of stomach pump gulch" come to LAB every Friday, and work under the direction of President Ray DeVries of the PTF

We thank you thrice over for all of your loot,
 It certainly shows you are very astute,
 The dollars you gave us they helped a great deal,
 Our spirit of gratitude we hope you all feel.

Lil,

We've always loved you and are proud of you and happy for you. Thank you for your special sunshine! Go with God, now and always

Your Family

To Gadney, David, Kim and Jim, thanks for all the great times. I'm going to miss all of you!

The Little Dutch Girl

Dear Seniors,

Your float building days are over, but we want you to know what a privilege it was having such a great bunch of kids at our home the past few years

God bless you all,
Mr. and Mrs. Schneider

To Cindy,

Congratulations! I'm proud of you,
With love always,
Mom

Good luck to LAB and the '79 class
Jack and Margo Adkins

Linda,

May you continue to let God guide the roads of your future as He has your past.

Love,
Mom, Dad, Mark and
Michael

Much love to Kimberly and Kristen
Mom and Dad

Dear Suzi,

How dear you are and how we love you, our bonus child! You've brought us much happiness and have enriched our lives. May God richly bless you and guide you into His plan for your life

Mother and Daddy

Kim, J.J., Kramer, "Dur Man", Lizzie, Gadney Purd, Linda, Dave, K. Stopp, and Jim. I wish you all the best that life can offer

All my love,
Katie

Liz,

We think you're a wonderful offspring. You make life really exciting. God bless you my child.

Love
Mom and Dad

Mom and Dad,

Proverbs 23:22, 24 and 25 say things that I want to be true of me. that I will always listen to you and cause you both to "greatly rejoice and . . . be glad." Thank you for everything — I love you

Pam

To "Little Baby Sis"

We love you this much and more
Love, Bros

Dear Pam,

We love you and you make us very proud. You are a very special person.
Love, Mom and Dad

To my buddies Steph, Lil, Bec, Shel, Mom, and Dad, and the yearbook people, I love you all. To the people who have more years here . . . too bad. And to Mr. Glover, you are a real cool cat

Liz

Mom Dad,

Thanks for all the love and support you've given me. Missy, Lisa, Wendy, Pam, BB team, The Senior Class, and even the teachers — thanks I love you all!
Jan Miller Hab. 23

Mom and Daddy,

Thank you for molding me into the woman I am, with you and my bros I made it! Keith, Greg, Jon, Jill, love always.
Pam

To my friends Cindy B., Margie, Pammy, Shirley, Bill, and Lisa, who are all leaving me for one reason or another — I'll miss you something fierce but because I love you, I wish you the best that life has to offer

Love, Marnce

To the Class of '79,

God bless and much success — In loving memory of our son Dana

Dr. and Mrs. Charles V. Kuntz

This is just to say thanks to Vicki, Sheryl, Lorna, Wendy, Jayna, Cindy, Sue, and Linda for the friendships we share. You're all very special to me and I love you.

Susie

Mom, thanks for being you — Your love could never be matched — To Jon, Pam, Keith, Greg, Cindy, Sue, the V B team, the teachers, Mr. Smidderks — thank you for the special moments and our friendships. I love you all!

Jill

The production of a yearbook brings together an unusual conglomeration of individuals and circumstances. This year was no different.

The rather late arrival of a new advisor with a resultant delay in fundraising, was partially responsible for a slow start towards the completion of the yearbook. But this year's staff was able to raise more money through solicitation for ads and donations than in any previous year.

The staff encountered many unusual obstacles, such as having to have some senior pictures reprinted three times, but such unusual circumstances enabled us to sense God's concern over even the production of a small school's yearbook. If the senior pictures hadn't had to be reprinted, we would have had to pay for errors we didn't notice until the second reprint.

I'd like to end by thanking the many people responsible for enabling the completion of this yearbook. I'd like to thank the students, faculty, staff, and administration, the parents who allowed their sons and daughters to spend large amounts of time after school working on the yearbook, our sponsors and patrons, and Viga Hall, our yearbook representative. I'd also like to express my appreciation to the yearbook staff for their hardwork, particularly those who were willing to go the extra miles, and to Liz Loversky, the editor. Your stubbornness, tenacity, and demand for quality put this yearbook out. You stuck it out even when the advisor was feeling the fatigue. And lastly, my thanks to my wife, who knew what it was like to be a "Scroll widow." Thanks to all.

— Douglas Glover, Advisor

The production of this yearbook is a miracle in itself, and I mostly want to thank God for that. All of the credit for this book is owed exclusively to Him

Sometimes I hated this project but really I liked it. Mr. Glover couldn't have been a more devoted advisor, he never stifled our creativity. I really appreciated his sense of humor, he was a real cool cat

The Book was a real experience. Quite a lot of hard work was invested in it and some of the staff put in some extra time and effort but we also had some wierdies running around. Namely, "Johnny B" Burnett and Mark O'Bryan who spent time teasing "B-ring," drawing cracks on the window and igniting their hands on fire with the use of rubber cement. Mark was especially famous for teasing the guppies. On one occasion, the Cool Cat came out of the darkroom on a late weekend night only to find the dektol and chinese food cartons hanging from the ceiling

Well thanks a lots Glover

All in all I'd say it was worth it

Liz, the Editor

 And finding little butterflies flying above my head.

Safely Home

I am home in heaven, dear
 ones; Oh, so happy and so
 bright! There is perfect joy and
 beauty In this everlasting light.
 All the pain and grief is over,
 Every restless tossing passed; I
 am now at peace forever, Safely
 home in heaven at last

And He came Himself to meet

In that way so hard to tread;
 And with Jesus' arm to lean on
 Could I have one doubt or
 dread? Then you must not
 grieve so sorely, For I love you
 dearly still; Try to look beyond
 earth's shadows. Pray to trust
 our Father's will

There is work still waiting for
 you, So you must not idly stand.
 Do it now while life remaineth
 — You shall rest in Jesus' land
 When that work is all com-
 pleted, He will gently call you
 Home; Oh, the rapture of that
 meeting, Oh, the joy to see you
 come!

"Life is too short to do anything but magnify Thy Name."

"I have been young, and now I am old; yet I
have not seen the righteous forsaken . . ."
(Psalms 37:25)

"The conclusion, when
all has been heard, is: fear
God and keep His com-
mandments, because this
applies to every person."
(ecclesiastes 12:13)

"You have a traitor there, Aslan," said the witch. Of course everyone present knew she meant Edmund.

while the lion and the witch talked

matters with the witch. Only Aslan knew what the body was to replace that of Edmund.

Later as the lion lay dead in his bonds, the children went over him, robbed of all their remaining hope.

only to the dawn of time. But if she could have looked further back, into the stillness and the darkness before time dawned, she would have read there a different message. A message that said that if a man who was a victim who had committed no treachery was killed in a traitor's stead, the Table would crack and Death itself would start working backwards. And now
